### The N. C. Banking Law.

AN ACT TO ENABLE THE BANKS OF THE STATE TO CLOSE THEIR BUSINESS. Whereas, The financial policy of the Federal Government adopted to maintain the national credit, with the heavy taxes imposed by that Government on the B.mss of the State, makes it absolutely necessary that said Banks should close their business, and renders a further continu mee of their corporate existence idle and useless to the people of the State,

Section 1. Be it enacted by the General Assembly of the State of North-Carolina, and it is hereby

Section 1. Be it enacted by the General Assembly of the State of North-Carolina, and it is hereby enacted by the authrity of the same, That if the Stockholders of any of the Banks chartered by the General Assembly of this State shall be unwilling to close the business of their Banks by an assignment, and are desirous to appropriate all the estate and effects of such Bank for the benefit of its creditors and to close its business and surrender créditors, and to closq its business and surrender their chartered rights and franchises in conformity with the subsequent provisions of this act, such Stockholders may by their bill in equity in the name of such Bank filed in the Court of Equity or the county in which the principal Bank or any o. Its branches may be located, require the creditors of such Bank to prefer and establish their demands within such time (not less than twelve months after decree therefor) as shall be allowed by the Court. The Court shall upon filing such bill appoint as commissioner a suitable person acquainted with the business of such Bank, who shall be paid for his services such sum as may be allowed by the court. Such commissioner shall give bond with ample security, payable to the State for the faittful discharge of his duties in such sum as shall be approved by the court, which bond shall be filed in court and may be sued on for the use of such persons as the court Sec. 2. Be it further enacted, That the commis-

sioner appointed as aforesaid, upon filing the bond required of him, shall forthwith become, and so long as he shall contine such commissioner and no longer, shall be vested with all the estate, of feets and rights of action which such Bank pos sed, had or held or was vested with, at the time of filing such bill, and which such Bank could at that time have lawfully sold, assigned or trans-ferred, including all debts due to such Bank or to any person for its use and all liens and securities therefor. The court may require such Bank by its Cashier or other proper officer to endorse without recourse, all such bills or notes, draw all such checks or orders for money and execute such other paper writings as the court shall deem ne-cessary or useful to enable the commissioner to demand or recover and receive the estate and effects of such Bank for the benefit of its creditors. The commissioner shall have the like remedy to recover and receive all the estate, debts and effects belonging to such Bank at the time of filing its bill, as such Bank might have had if no proceedings had been had under this act; and should any such Bank have made any sale or transfer of its property or effects, fraudulent as to its creditors but valid as between the parties, in such cases such commissioner shall stand in the place of the ereditors, and may recover and receive such pro-pertyor effects so transletted, although such Bank could not have done so. In all suits prosecuted by such Commissioner at law or in Equity the plaintiff shall be styled "The Commissioner," (adding thereto the name of the particular Bank for which he has been appointed the Commissioner,) and if at the time such bill by any Bank any action at law or pro-ceeding or suit in Equity shall be pending in the name of such Bank for the recovery of any estate. debt or demand which might or ought to be vested in such Commissioner as aforesaid, such Commissioner shall be admitted to prosecute the same in like manner and to like effect; and no suit pend ing at any time for the recovery of any estate, debt or demand in the name of such Commissioner shall be abated by the death or removal of such Commissioner, but a Commissioner to be appoint ed in such cases (as is hereinafter provided) shall be admitted to prosecute the same in like manner

and to like effect as if the same had been originally commenced by him.

Sec. 3. Be it farther enacted, That the Commissioner aforesaid shall in all things connected with the discharge of his duties as Commissioner, act under the direction and orders of the court; and it any such Commissioner shall refuse or unreasomably delay or neglect to obey any rule, order or decree of the court, it shall be the duty of the court to remove such Commissioner; and upon such removal or upon any vacancy by death or otherwise, the court shail appoint some other person Commissioner, who shall enter into bond in such sum as the court shall direct in like manner and for the like uses and purposes as provided in cases of the Commissioner first appointed; and thereupon all the estate, property, effects debts and rights of action vested in such Bank after the time of filing its bill, not before lawfully disposed of by any former Commissioner, shall be forthwith vested in such new commissioner as legally and effectually as if he had been the com-missioner first appointed; and the court shall have the power to require any former commissioner or the representative of any deceased commissioner, to surrender to such new commissioner any such estate, effects, money or evidence of debt which of right should be in the hands or possession of such new commissioner.

Sec. 4. Be it further enacted, That all demands of creditors may be preferred and proved before such commissioner, and for all purposes connected with the investigation of the demands of any person claiming to be a creditor as aforesaid, the commissioner shall have power to administer all oaths required in the course of such proceedings. Any supposed creditor whose claims shall be wholly or in part disallowed by any commissioner, may appeal to the Court, where the same shall be determined according to the course of the Court, or decided at law, as the court may direct; and in all such appeals the case shall be docketed in the name of the creditor against "The Com-missioner of ——" (adding the name of the Bank of which he is commissioner,) and shall be tried and determined as like suits between other parties. In all cases in which any such commissioner shall be a party, whether plaintiff or defendant, and it shall appear that there has been mutual credit given by the Bank, and any other corporation or any person who is the opposite party, or there are mutual debts between them, whether such debts be due and payable or not, the account between the parties shall be stated, and one debt shall be set off against the other, and the balance of such account only shall be allowed or paid on eitheir side respectively; and the costs in all cases shall be paid by either party as the court shall direct. The commissioner shall from time to time pre-pare statements in writing of all claims allowed by him; showing the character of such claims and the evidence on which their validity is based; and there shall be no application of any funds in the hands of such commissioner to the satisfaction in whole or in part of any claim whatever, except under a rule or order of the court there-

Sec. 5. Be it further enacted, That the court shall make all proper orders and decrees for the collec-tion of the assets of such Bank, of every nature and description, and for the payment of the costs and expenses incident to the proceedings. The creditors whose claims and demands have been proved and established as aforesaid against the estate and effects of such Bank in the hands of the commissioner, shall be entitled to payment in satisfaction of the same out of the assets in hands of such commissioner, as the court shall order and direct; and all such claims and demands not prosecuted, proved and established according to the provisions of this act within the time allowed by the decree of the court therefor, shall be barred of recovery by any action at law or other proceeding in equity; and any suit brought for their re-covery otherwise than is herein provided shall on the piea of the commissioner of such Bank be abated, or on his motion be dismissed.

Sec. 6. Be it further enacted, That it shall not be necessary in any bill filed under this act, to make any particular persons or corporations parties by me, but it shall be sufficient if the defendants be denominated creditors of the particular Bank in behalf of which suit may be instituted; and notice of the bill shall be published for the space

of the bill shall be published for the space of thirty days so soon as it may be filed in at least fifteen newspapers, one of which shall be published in the City of Raleigh; one in the city of Charleston, S. C.; one in the city of Richmond, Va.; one in the city of Baltimore, Md.; one in the city of Philadelphia; one in the city of New York; one in the city of Augusta, Ga.; one in the city of Montgomery, Ala.; one in the city of N. Orleans; and one in the city of Nashville, Tenn.

Sec. 7. Be it further quacted. That any one of the Sec. 7. Be it further enacted, That any one of the the Judges of the Supreme Court, or of the Superior Courts of law and equity, shall have power at his chambers, from time to time, to make any such rules, orders or decrees as may be necessary or required for expediting the settlement of all controversies between any commissioner appointed under this act, and other parties, for the guid-ance and instruction of any commissioner in any matter connected with the discharge of his duties, for the removal or appointment of a commission-er, or for the speedy execution of any of the powers by this act conferred on a court of equity. Sec. 8. Be it further enacted, That the filing by or on behalf of any Bank, of a bill in the court of equity, under the provisions of this act, shall, upon the appointment and qualification of a commissioner thereunder, be deemed and taken to all intents and purposes to be a surrender by such Bank of all the corporate rights and fran-hises granted to such Bank; and all laws by virtue of which any such Bank then exists as a corporation are hereby repealed, and such corrections that are hereby repealed, and such corporation shall be thereupon dissolved, and all the effects and consequences following or incident to the dissolution of a corporation at common law shall ensue thereon; and any statute law of this State to the contrary notwithstanding. Provided, however That the estate, property, and rights of action

remaining in the hands of any such commissioner after the satisfaction of the claims of such creditors, the commissioner under the direction of the court shall distribute and pay the same to and among those who shall be justly entitled thereto as having been stockholders or members of such corporation at the time of its dissolution as aforesaid, or their legal representatives.

Sec. 9. Be it further enacted, That all suits on debts due the Banks contracted with a branch Bank shall be brought in the county where the branch was established, and if brought in any other county may be dismissed on motion.

Sec. 10. Be it further enacted, That this act shall be in force from and after its ratification.
